

## Postponement of IWA 2020

According to IWA's official announcement, by virtue of the new situation regarding the spread of the corona virus, Nurnberg Messe has decided to postpone IWA Outdoor Classics 2020 from the planned dates of 6-9 March 2020 to a date in 2020, which yet has to be specified.

We understand this decision. Once we have further information, we will update our website in time.

Vector Optics Stand Rendering  
See us at booth 7-208 in IWA in the near future.

## Shot Show Special

It's another wonderful Shot Show for Vector Optics.

## Coronavirus Event

Thank you for your concern. At present, the epidemic is under effective control. We all know the serious coronavirus event in China, which is mainly happened in Hubei Province.

The whole province is now 'isolated' to min the cross infection. Let's stay together and fight for it. Tomorrow will be fine.

**REFUELING, WUHAN!**
